

Privacy Policy

We encourage you to read our Privacy Policy, which applies when you browse the site, regardless of whether you decide to use the services and/or purchase products. We also encourage you to read the Terms & Conditions, as they contain indications about privacy and the security systems adopted by the website.

The processing of personal data of users will be made in Italy and conducted in accordance with the applicable European legislation and in the field of Personal Data Protection Code (DLgs. N. 196 of 30 June 2003), which regulates the processing of data personal effected by anyone who resides or has an office in Italy.

1. THE POLICY

Each person has the right to protection of their personal data. ReCycle.com respects the right of its members to be informed about the collection and the methods of processing of personal data. We always try to respect a principle of strict necessity in data that may identify you, even indirectly. For this reason, we have configured the site to ensure that the use of your personal data is kept to the minimum necessary and to exclude the processing if the purposes sought in the individual cases can be achieved by using anonymous data or through other means, that allow you to identify the person involved only if necessary or at the request of the authorities and police forces. This Privacy Policy provides useful information to understand how we collect and use the information identifying users of the Site. For more information on our Privacy Policy you can contact by e-mail inquiries to info@recycl3.com.

2. WHO TREATS THE DATA, HOW AND FOR WHAT OBJECTIVE?

ReCycle.com holds the processing of personal data of users of the Site, aimed at managing, conclusion and execution of commercial transactions involving the purchase of products through that site ("Purpose"), ReCycl3.com decides the goals and methods of the above processing of data and the tools to be used also as regards the security profile. For organizational and operational needs, we have appointed several external managers of the personal data of users of the Site, for purposes related to the performance of services on the Site, including the sale of products. These managers were chosen because they have demonstrated ability, experience and reliability, and to provide sufficient guarantees regarding compliance with the applicable provisions on the treatment, including the profile on data security. Managers assigned to processing of personal data of users of the Site in accordance with the instructions given by ReCycl3.com.

To get the list of managers who treat your information, Please contact Customer Service or send an email to the following email address: info@recycl3.com

In particular, in the pursuit of the Purposes, as part of the purchasing procedures for products on the site we collect Personal Information (such as personal details, email address, mailing address, credit card and bank details, telephone number) using the order form for the sale of products on the Site.

Your personal data is mostly processed by electronic means and in some circumstances by paper form, such as when the processing of your data is required for preventing fraud on the Site.

Your personal data will be stored in a way that allows your identification for the time strictly necessary for the purposes for which they were collected and subsequently processed and, in any case, within legal limits.

In order to ensure that your personal information is always accurate, current, complete and relevant, please report any changes to the following e-mail address: info@recycl3.com

Except as otherwise provided in this, your personal information will not be disclosed to third parties for purposes not permitted by law or without your express consent.

Your data is also made available to third parties for purposes related to the provision of equipment and services you request (for example, for transactions related to purchases). For details on this, see what was later described in section 4 (To Whom Communicate Your Personal Data). At any time you can request and obtain an updated list of data processors by writing to the following email address: info@recycl3.com.

Your data may be disclosed to the police or to judicial authorities, for example as part of anti-fraud services of the Site, in accordance with the law and when required. Your data will also be accessible to data processors, as described at this present paragraph 2, and for the specific purposes stated in that paragraph. Your personal information will not be transferred abroad to countries outside the European Union, which does not ensure an adequate level of protection for individuals. If this proves necessary to achieve the purposes, please rest assured that the transfer of your personal data to countries that do not belong to the European Union and do not ensure an adequate level of protection, will be executed only after the conclusion of ReCycl3.com and such entities specific contracts, containing adequate safeguards for the protection of your personal information, in accordance with law and applicable regulations.

The purposes for which your personal data is known specifically, from time to time, in the informative text submitted on the page where you require the personal data.

It may happen that ReCycl3.com traits the rsonal data of third parties communicated directly by their users ReCycl3.com, eg. when the user wishes to recommend to a friend a service or a product for sale on the site or if the user purchases a product to be delivered to a friend or when the person who pays the purchase price is different from the entity to which the product is sent.

In these cases you are invited to obtain the consent of the person to which refer the personal data before communicating with ReCycl3.com, and to inform him of this Privacy Policy because you will be the one and only person responsible for communication of information and data to third parties subject, without these they have specifically requested, and their incorrect use or contrary to law. In any case, ReCycl3.com, to the extent required by law, respects the obligation to make disclosures to the user reported and, where necessary, require her express consent upon registering in its archives the personal data .

3. FAILURE TO PROVIDE PERSONAL DATA AND CONSEQUENCES

The supply of your personal data to ReCycl3.com and, in particular, personal data, your email address, your mailing address, the phone number is necessary to achieve the Purpose.

Certain of those data could be necessary to fulfill obligations arising out of laws or regulations, or to supply other services provided on the Site requested by you.

The possible lack of certain necessary data, identified in the Site with an asterisk (*), may make it impossible to execute the agreement to buy the products or appropriately fulfill legal obligations and rule. Failing to provide data may constitute, depending on the case, a legitimate and justified reason for not processing the product purchase contract on the Site or the provision of services through the Website.

Privacy Policy

The indication to ReCycl3.com of the Personal Data, other than those of compulsory contribution, is optional and has no consequences for the purchase of products on the Site.

4. TO WHOM COMMUNICATE PERSONAL INFORMATION

ReCycl3.com will treat the information provided by users for the exclusive purposes of providing services to the users themselves, in particular: communications and commercial information, including partner companies, by means of newsletters and/or in order to respond to any communications received and the activities related to them (including, but not limited to administrative, managerial, statistics, marketing and trade), both with manual mode, both with electronic and/or automated mode.

The data will not be disclosed, sold or otherwise transferred to any other third parties, unless the users not being informed in advance and, with their consent, when this is required by law.

5. HOW COLLECT YOUR DATA SITE

ReCycl3.com collects personal data and other information as part of the online registration process to order in Website or with the sending of purchase of products on the Site for the execution of e-commerce transactions. These data are processed by ReCycl3.com within the limits and purposes outlined in the notice presented to the user in a specific data collection section.

6. SECURITY MEASURES

We have adopted security measures to minimize the risk of destruction or loss, even accidental, of data, unauthorized access or treatment not allowed or not in accordance with the collection purposes indicated in our Privacy Policy.

However, it is not possible to guarantee that the measures taken for the security of the Site and the transmission of data and on the same site, limit or exclude any risk of unauthorized access or dispersion of data, we encourage you to ensure that your computer is equipped with anti-virus software up to date for the protection of data transmission on the network, both incoming and outgoing, and that your Internet service provider has taken firewalls and spam filters or suitable for the security of data transmission over the network.

7. YOUR RIGHT OF ACCESS TO DATA AND OTHER RIGHTS

You are entitled to obtain confirmation of the existence or not of personal data about you, even if not yet recorded, and their communication in intelligible form.

You are also entitled to obtain information about the origin of your personal data, the purpose and methods of processing of your personal data, the logic applied in case of processing with the aid of electronic instruments, the identification of the owner and data controllers, the names of individuals or categories of persons to whom personal data may be communicated or who can learn about them as, for example, managers or people in charge of processing. In part, this information is contained in our Privacy Policy; to learn more, you can send an email to info@recycl3.com

You are entitled to obtain from ReCycl3.com:

- updating, correction or, if you have an interest, the integration of your personal data;
- cancellation, anonymization or blocking of your personal information, possibly in violation of the law, including data which need not be kept for the purposes for which the data they have been collected or subsequently processed;
- Certification that the above transactions have been made known, also as regards their content, to those to whom the data were communicated or disclosed, except where such it proves impossible or involves a manifestly disproportionate to the protected right.

You will, however, your right to object in whole or in part:

- for legitimate reasons the processing of personal data about you, even if relevant to the purpose of collection;
- to the processing of personal data about you for purposes of sending advertising material or direct marketing or for carrying out market research or commercial communication.
- You may freely and at any time exercise your rights, within legal limits, by making a request to ReCycl3.com to the email info@recycl3.com, to which we will give appropriate feedback.

8. LINKS TO OTHER WEBSITES

ReCycl3.com does not control or monitor such web sites or their content. ReCycl3.com can not be held responsible for the content of these sites and the rules adopted by them with regard to your privacy and processing of your personal data during your navigation operations. Please, pay attention when you access these web sites through the links on our website and read their terms of use and privacy policies. Cookies Policy

In accordance with the decision of the Guarantor for the protection of personal data (hereinafter, the "Guarantor") on 8 May 2014, entitled "Identification of simplified procedures for the information and the acquisition of consent for the use of cookies" (hereinafter the "Measure Cookies – Cookies Policy"), ReCyl3.com informs of the following.

What are cookies?

To order products on recycl3.com, you need to have cookies enabled. If you do not want to accept cookies, you can still browse in the site and use it for research purposes. In most browsers, the cookies are enabled, at the bottom you'll find the information you need to change your cookie settings on your browser.

Cookies are not harmful to your device. In the cookies that we generate, we do not store personal identifying information such as credit card details, but we use encrypted information gathered by them to improve your individual needs. For example, they are useful to identify and resolve errors, or to determine relevant related products to show the visitor while browsing.

We provide this information as part of our initiative for the enforcement of recent legislation intervened in the matter, and to ensure our honesty and transparency regarding your privacy when you servants of our website.

More information about cookies can be found at the following web sites:

www.allaboutcookies.org

www.youronlinechoices.eu.

Cookies may perform functions, such as allowing you to navigate between the different pages efficiently, remembering your preferences, and generally improve the user can stay.

Recycl3.com reserves the right to use cookies with your consent if the law or applicable regulations so was established, to facilitate navigation on this site and customize the items to appear. Recycl3.com also reserves the right to use similar systems to collect information about users, such as IP address, type of Internet browser and operating system used, and/or web pages visited by a user, for statistical or security purposes. Recycl3.com will collect this information to track site usage iesand to improve certain aspects.

Below is a brief description of how Recycl3.com use cookies and similar tools on the site recycl3.com

Navigation cookies

These cookies are essential to enable you to move around the website and to use its features, such as access to restricted areas of the website. Without these cookies they can not be provided the requested services, such as shopping cart or e-billing. The strictly necessary cookies are used to store a unique identifier in order to manage and identify you as unique compared to others who at that time are visiting the site, in order to provide the user with a consistent and accurate service. Some examples include:

- The memory of previous actions (eg entered text) when navigating back to a page in the same session;
- Management and passage of security tokens to different services within a website to identify the visitor's status (for example, registered or not);
- Maintenance of tokens to the deployment of the restricted areas of the website;
- Routing to customer specific versions/a service applications, as may be necessary during a technical migration.

Performance cookies

These cookies can be of Recycl3.com or partners, by session or persistent, their use is limited to the performance and improvement of the website. These cookies collect information about how a visitor uses the site, such as the pages you visit. These cookies do not collect information that can identify you. All information collected by these cookies are aggregated anonymously and are only used to improve the functionality of the site.

Some examples include:

- Web Analytics, the collected data is only limited use of the internet site by the operator, to manage the performance and structure of the site. These cookies are cookies of third party, but the information will only be used by those involved in the publication of the website visited;
- Tracking of the affiliates by Recycl3.com partners – the cookies are introduced by the Partner and used by them only to find out if user from another site has performed the purchase of a product or service on recycl3.com;
- Error Handling – Measurement of errors that occur on the site, usually this function will support the improvement of services or the management of complaints and will generally be closely linked web analytics;
- To test different structures of the site pages – To test on the structure changes, usually using A/B testing or multi variables, to ensure that in the current and future sessions is kept a consistent look for the site user.

Functional cookies

These cookies can be of Recycl3.com or partners, have a duration of session or persistent. These cookies usually are the result of a user action, but can also be implemented in the supply of a service explicitly requested but offered to you. They can also be used to prevent it offers again to the given user a service previously offered and was refused. In addition, these cookies allow websites to remember user choices (such as user name, language, country of origin, etc ..). The information collected by these cookies are anonymous and can't track user behavior on other sites.

Some examples include

Cookies Policy

- remember the settings that a user has applied to an Internet site such as layout, font size, preferences, color etc;
- remember a choice so that is no longer asked to complete a questionnaire;
- detect if a service has already been offered, such as offering a tutorial for subsequent visits of the website;
- provide information to allow the operation of an optional service such as the offer of a live chat session;
- fulfilment of a user request such as submitting a comment.

Third-party cookies for marketing/profiling

These cookies are used by partners of Recycl3.com, in order to introduce advertising banners of Recycl3.com when you are in other sites, showing the latest products you've watched on recycl3.com. Whilst you browse on recycl3.com, these cookies are also used to show products that may interest or similar to those you are watching, based on your browsing history. The use of these cookies can allow access to your computer or other devices, and track the data stored: these cookies connect to the browser installed on your computer or other devices used during navigation on our site.

How can i disable cookies?

Whereas you intend to disable one or more cookies used by this website, we suggest to express your choices through the consent forms of this disclosure, as well as through third-party consent forms can take vision through the links to the ' interior of this information document.

We also inform you, that most browsers automatically accept cookies, but you can also choose to not accept them through your browser settings. It is recommended not to disable this function, since this could prevent you from moving freely from page to page and to benefit from all the site's features.

If you do not wish that your computer received and stored cookies, you can change the security settings of your browser (Internet Explorer, Google Chrome, Safari etc.). In any case, you can note that certain parts of our Site may be used in their fullness only if your browser accepts cookies; if not, for example, you will not be able to add products to your shopping cart and of buy them. As a result, your choice to remove and not to accept cookies may affect your stay on our site.

If you want to change the use of cookies through the browser settings, the following are brief instructions on how to do this in the four most popular browsers:

Microsoft Internet Explorer

Click the icon 'Tools' in the upper right corner and select 'Internet Options'. In the pop up window, select 'Privacy'. Here you can adjust the settings of your cookies.
